Served as Regional Communication Manager for TikTok LIVE FEST 2025, a flagship IP event spanning 90 countries — planning and producing 30+ warm-up videos that generated 150M+ views, plus daily livestreams reaching 10M+ organic views across TikTok LIVE Vietnam's channels. On the side, I built a personal TikTok channel from zero to 33.8K followers and 15M+ views, including one video hitting 6.7M. I run on the same instinct in both worlds: spot the moment early, translate data into a growth lever, and execute fast enough for it to still matter.
